WORK EXPERIENCE

IEEE BU

Management Head

Oct - 2023 - Feb - 2025

- As the Management Head of the IEEE BU Student Chapter, I took charge of planning events, coordinating teams, and driving strategic projects.
- I organized club events, hackathons, and guest lectures, working closely with faculty members and industry professionals.
- Through managing the club's activities, I honed my leadership, communication, and problem-solving skills, gaining valuable hands-on experience in team management and event execution.

EDUCATION

Bennett University

Bachelor of Technology (B.Tech, CSE) - 8.2

June 2023 - June 2027

PROJECTS

Ecommerce Website [🔗](#)

E-Commerce Website

- Built a modern and fully responsive e-commerce website using **Next.js, React, and Sanity CMS**.
- Integrated **Stripe** for secure online payments, allowing real transactions.
- Designed an intuitive UI with smooth animations for a better shopping experience.
- Added features like **cart management, product updates, and dynamic content** using Sanity CMS.
- Used **React Context API** for state management and optimized performance with **Next.js server-side rendering (SSR) & static generation (SSG)**.

This project helped me gain experience in **full-stack development, payment integration, and content management systems**

Memory Testing game [🔗](#)

- Developed an interactive Memory Testing Game using **Java, Swing and AWT** to challenge and improve **players' memory skills**.
- The game features a grid of hidden cards where players must match pairs within a limited number of attempts.
- Implemented dynamic image shuffling, sound effects for better engagement, and a smooth UI experience.
- Enhanced proficiency in **Java GUI development, event handling, and game logic design**.
- Future improvements include **difficulty levels, scoring mechanisms, and multiplayer support**.

SKILLS

Languages: C++, Python, JavaScript, Java.

Frameworks: React.js, next.js.

Cloud/Databases/Tech Stack: MySQL, AWS Services (EC2, S3, IAM, Cognito), HTML5, CSS, Git/GitHub
